Hello Trumbull!

We are excited to offer you even more this fall as the library opens for indoor programs. Since our return to full-time hours in June, our talented and dedicated staff have been working hard to ensure we are adaptable, flexible, and available – come what may!

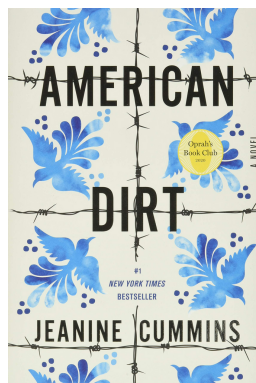

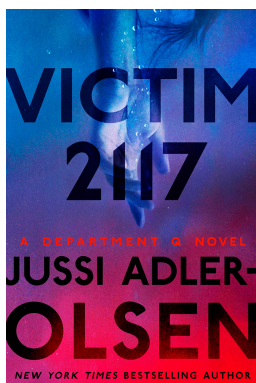

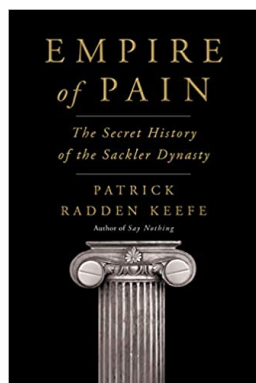

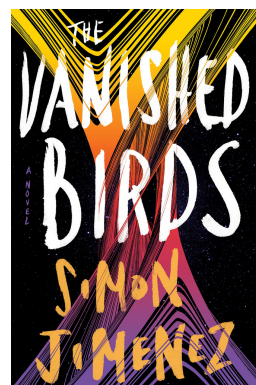

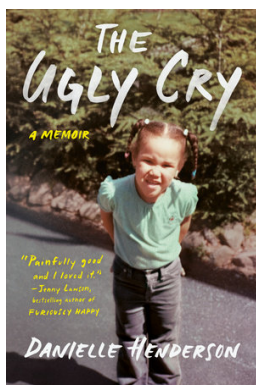

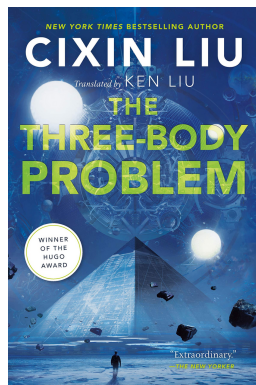

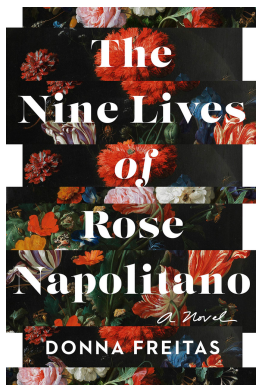

This fall, we encourage you to safely venture outside of your homes and comfort zones to discover what's new and happening at the library as we change seasons! Programs will be offered both in-person and online, but please note, indoor programming will be for adults and teens only.

It's been wonderful to see your faces at the library. Thank you for supporting us through a global pandemic and continuing!

Please feel free to contact me at any time:

Sincerely,  
Stefan Lyhne
